Please give me an update of "Case #: 6:20-cv-00071-JDK-JDL" From February 13th, 2020 up til now please...

Also, who exactly can I write there to ask questions, report possible retaliation, get updates, etc.? Attorney Tanika J. Solomon is really cool but I'm just wanting to participate however I can, when I can. It's bad in here for real!

I hope y'all are safe from COVID-19 out there. Thank you for your time & effort in my behalf! Bless y'all! Happy Halloween too!

\*P.S. - I feel like I've been in a car wreck with non-stop pain! Prison Officials & Staff hurt me a bunch of times with serious injuries and violated my Civil Rights many times to the point of madness! I have flashbacks of them hurting me and violating my rights! This whole Prison sentence has been pure torture non-stop! It's truly sick & demented how they have mistreated me to such an extreme and done everything they can to cover it all up on purpose! There's no rehabilitation in here. This place just makes mental illness worse & worse! It's torture!
